Montages are great for special occasions like weddings, anniversaries, graduations, or memorials. They tell a story and help your guest reminisce about happy times and memories. They are also great for family keepsakes, creating tributes to family members, your biography or telling the story of someone you love, telling your birth story or the story of your babies first year of life. Telling the story of a great vacation or event. They can also be used to share a short message with someone you love or miss. These are memories you want to share and remember forever and the best way to do this is with a Montage from Tears of Joy Video. Below is our pricing.
