Instructions for pictures: Put pictures in the order you want them to appear. If they are all digital rename the files in the order you want them to appear. If you have a combination of digital and printed, number the pictures and then skip the digital one and rename the digital the number it is going to be placed within the printed pictures. If you have video clips on a small piece of paper place a sheet of paper where you want the video to appear.

Pictures can be number with post its. If you actually write on the pictures, be sure not to press too hard so it does not show up in scanning. Also do not write with pens that smear and ruin the pictures. Take pictures out of albums and frames. (Call if you can't get out of album and we can give instructions) Buy large zip lock plastic bags and place pictures in bags. If you are having sections or chapters in video, place pictures in separate bags for each section. Write number on each back in the order you want the sections to go.

Titles and Captions-Music-In each bag place a piece of paper with titles you want to introduce section. If you want caption on certain pictures, write picture number and then the caption you want placed under picture. Give the song and artist you would like used in this section of pictures.

Terms and Conditions:

Music

We encourage you to choose your own music. *Tears of Joy Video* creates this video with the knowledge of you using this for private use, and not for commercial use. We create the videos for your personal use only. If placed on public view such as a social media site or used for commercial use, we recommend not using popular music. If you do, you accept the responsibility for copyright infringement.

Quality

When choosing images keep in mind there may be some loss of quality through the production and viewing process. Because you will be seeing these images larger than you ever have before flaws in the original photograph will appear larger as well. Flaws such as scratches, marks, tears, wrinkles, and blurriness. However, some pictures may also look better than ever before because they are larger and brighter. Set your expectations appropriately.

Limitations

Due to the incompatibility of some DVD players to play all DVD's we do not refund for any DVD's that skip, freeze or have any difficulty playing on any DVD player unless the DVD is physically flawed. Damaged DVDs can be returned to us for replacement. Be assured that we do verify that all DVD's we produce are 100% perfect without any flaws before shipping. *Tears of Joy Video* will do the best to return your pictures to you in the same condition we received them. If conditions beyond our control any pictures are damaged or destroyed, we will be responsible for replacement copies of photos.

Conditions

Our liability is limited to any monies paid should mechanical/electronic failure, theft, accident, weather, loss or damage of your images or materials, or other mishap occur which prevents fulfillment of our agreement or the return of any materials provided. 50% is due when order is place and balance is due when final approval of project is given. It is agreed that rights to exclusive use of all images and reproductions thereof produced by *Tears of Joy Video* are reserved by and for *Tears of Joy Video* for production use, Contracting Party assumes all responsibility and liability for the legal use of all material, copyrighted or otherwise, to be incorporated in the video; and hereby grants permission for *Tears of Joy Video* to use all materials provided by the client in the production of the video ordered herein. Your video can be previewed before it goes to DVD. After final approval by you, no further changes can be made and your verbal or emailed approval means final print is accepted with no further changes.

We understand and accept, as stated, the conditions and limitations described herein.
